

Questar board declares quarterly stock dividend

Deseret Morning News – October 25, 2006

Salt Lake-based Questar Corp.'s board of directors on Tuesday approved a quarterly common stock dividend of 23.5 cents.

The dividend, payable Dec. 11 to shareholders of record on Nov. 17, is the same as the previous quarter. This is the company's 248th consecutive dividend without a reduction.

Questar is a natural gas-focused energy company with an enterprise value of about \$8.2 billion.
